

## **12th GRADE PA NEWSLETTER**

Dear Senior Parents:

With the March break quickly approaching, we have come to the realization that our seniors will soon be entering another phase of their senior year. Senior project is just around the bend and one thing for sure is, it will be quite different from the ordinary routine. For those of you have not been “through this before” with older children, you will find some helpful information on our Senior Class website at: [12th Grade Home Page](#) . Even if you have been through Senior Project before, be sure to check out the website for other pertinent information as well as pictures from different senior events.

We would like to thank **Linda Leahy** for putting together the fun Valentine’s Day Senior treat bags, which the seniors received and thoroughly enjoyed at school.

Please remember to join us for the **Senior Parent Coffee**, organized by Betsy Houghteling and Dixie Morse, **Friday, March 6 starting at 8 a.m. in the Stonestreet Lounge at the US Gym.**

We are in the process of organizing a Senior Parent cocktail party sometime in April. It will be a nice way for parents to get together and we hope to see you there. Date and further information will be forthcoming.

You will also be receiving details about the Senior Class Graduation Party held on graduation night. Kate Doyle and Laura Ulvestad are chairing the parent run event and from what we have heard so far, it looks to be an extremely fun and memorable evening for our seniors.

That’s it for now. We hope that you have a wonderful break with your families and we look forward to catching up with you soon after we get back.

Again, any questions or comments are always welcome.
