

GRADE 12 PA NEWSLETTER

Dear Senior Parents,

It is hard to believe how quickly the year is flying by! It has been an exciting year so far even with all of the uncertainty due to the college process. One thing for sure is that the students have been enjoying some of the perks of being seniors, including, the special food days coordinated by our dedicated Student Activities Committee. We would like to thank once again the efforts of **Linda Leahy, Elizabeth Leatherman, Debbi Chapman and Rosemary Daggett** for organizing all of the monthly special days including the most recent three day **Senior Treat Week**, held during exam review days, which was thoroughly enjoyed by all. We would also like to thank all of the parents for their delicious food contributions and for those who came in with a wonderful smile to chaperone each event.

Every year, it is a BB&N Upper School tradition for the Parents' Association to coordinate several faculty appreciation breakfasts throughout the year. The faculty and staff enthusiastically look forward to this break in their routine. Each class is in charge of one breakfast. The date of the **Faculty Appreciation Breakfast** hosted by the 12th Grade Parents is quickly approaching. It will be held **Wednesday, February 4th**. **Gwenn Snider** and **Brucie Moulton** have graciously offered to chair the event. Please click here if you would like to contribute: [12th Grade Faculty Appreciation Breakfast](#). Look at this as a wonderful opportunity to treat BB&N's US wonderful faculty to a special day.

One of the most fun days for our seniors is coming up. **Valentines Day Senior Treats** will be held on **Thursday, February 12th**. The Student Event Committee is already busily planning the day. Please remember that many of these special senior days can't take place without you. We are all extremely grateful for your generosity and support. A sign-up email will be forthcoming next week.

Last but not least, we hope that you've had an opportunity to check out the **BB&N's Class of 2009** Parent website which can be found in **Knightline**. There you can find relevant information and very helpful links to Senior Spring project, Doug Neuman's helpful tips for parents, etc. This site is also being updated regularly with photos from the different events. You can also use it to sign up. Here is the link for your convenience: [12th Grade Homepage](#)

As always, in an effort to broaden communications between parents and school, we welcome your questions and or suggestions.

Once again, thank you for all your support!
