

Lower School Parents' Association March 2010 Newsletter

Dear Lower School Parents,

February has whizzed by! The LS community came together for BB&N's annual Black History Celebration, and a good time was had by all at the Family Skate events! A special thanks to the entire LS campus for your tremendous support of the Have-A-Heart Food Drive. Finally, the Sixth Grade graciously hosted February's Faculty Appreciation event—an amazing array of desserts which looked as delicious as it tasted. Many thanks to the 6th grade for showing our faculty and staff how much we value them.

With Conference Day behind us and March upon us, we are already starting to look forward to everything the spring has in store. The remainder of the school year is packed with fun events including LS Family Bingo Night and MFA Day. Please plan to come hear the final LSPA guest speaker of the year: Sarah Ward, an expert in development of executive functioning skills in children. It's a hot topic! Finally, the BB&N Circus is on the horizon. Please be on the lookout for requests for volunteers from the various circus committees—the Circus needs YOU!! Thank you in advance for your willingness to help make this event a fantastic success!

Below please find the main LS and All School Events for March and April. Don't forget that all of these events can be found on the online calendar by clicking on the "quick link" to the right or going to <http://www.bbns.org/calendar/events>. Please note that there are a number of ****new grade-specific events**** on the online calendar for March - May. Have a 5th grader? The "Project O" trip is on the calendar! Have a new sibling starting in the Morse Bldg next year? A welcome coffee is on the calendar! All this and more—please check to see which grade-specific events relate to your family.

Happy Spring Break!

Sincerely,

Maureen Marota and Marjorie Lichtenberger
