

## **Winter Exam Information**

**Monday, December 12, 2016 – Friday, December 16, 2016**

### **Exam Logistics and Policies**

1. The last two class periods and corresponding homework assignments preceding exams are devoted to review. Review Days start with C and F Blocks on Wednesday, December 7. On these days, no tests, quizzes, lab, or papers will be due and no new material will be introduced. In addition, each teacher holds a review session on the afternoon preceding the exam (1:00 – 3:00 p.m.).
2. Students should check the exam schedule posted near the Upper School Office for the exact day and time of each exam. In general, exams occur on the following days:

Monday, December 12 – English Exam  
Tuesday, December 13 – History and Social Sciences Exam  
Wednesday, December 14 – Science Exam  
Thursday, December 15 – World Languages Exam  
Friday, December 16 – Mathematics Exam

Students with a conflict (two or more exams at the same time in Math, Science, and/or World Languages) receive an email from Mr. Clark, Academic Coordinator, outlining the times and locations for these specific exams.

3. Exams are administered from 9:00 – 11:00 a.m. each day in the Nicholas Athletic Center. Extended time exams end at 12:00 p.m. Students should report to the exam location no later than 15 minutes before the exam is scheduled to begin.
4. Jackets, bags, and hats should not be brought into the testing area. Students are permitted to bring a small bottle of water into the testing area, but should not bring other food or drink with them.
5. During the exam, there should be no talking or communicating with other students. In addition, students should not have access to any material that might be useful on the exam unless by specific permission of the instructor.
6. Cell phones and other electronic devices (other than approved calculators) should remain outside of the exam room or be placed in the designated area at the front of the exam room.
7. During the exam, students may not leave the exam room except in an emergency and only with the proctor's permission.
8. Students who finish the exam early will not be permitted to leave the testing area for the first 90 minutes of the exam. At the 90-minute mark, students who are finished will be given an opportunity to exit the exam room. After the 105-minute mark, all students will be expected to remain in the exam room until the end of the exam (120 minutes). Students previously approved for extended time will be allowed one extra hour to complete the exam.
9. Lunch will be available each day from 11:00 a.m. to 1:00 p.m..
10. Normal bus route service (morning and afternoon) will continue throughout the week.
11. Continuous shuttle service between the Upper School and DCR Parking Lot #4 will be available before and after each exam.

**Delays or Closings due to Inclement Weather:** Information about delays or closings due to inclement weather will be relayed to families through automated phone messages, the School website ([www.bbns.org](http://www.bbns.org)), the radio (AM 1030), and the television (Channel 4) by 6:00 a.m. each day.

### **Delays**

- If school is delayed on Monday, Tuesday, Wednesday, or Thursday, the exam will occur on the afternoon of the same day (1:00 – 3:00 p.m.).
- If school is delayed on Friday, the exam will occur on the afternoon of the same day (1:00 – 3:00 p.m.) for students that are not scheduled to play in the athletic tournaments taking place at that time. Students who participate in tournaments will take the exam at the first opportunity that weekend.

### **School Closing**

- If school is closed on Monday, Tuesday, or Wednesday, the exam will occur the following afternoon (1:00 – 3:00 p.m.). For example, if school is closed on Monday, Monday's exam will occur on Tuesday afternoon.
- If school is closed on Thursday, the exam will occur the following afternoon (1:00 – 3:00 p.m.) for students that are not scheduled to play in the athletic tournaments taking place at that time. Students who participate in tournaments will take the exam at the first opportunity that weekend.
- If school is closed on Friday, the exam will occur on the morning of Saturday, December 17 (9:00 – 11:00 a.m.)
