  - Stay to the right and continue up the hill through two more lights; Brattle St. and Huron Ave.
-

- 
- You need to stay in the right lane all along this stretch.
  - Once past Huron Ave. continue down the hill and just after it turns to the right you will come across the field on your right.
  - There is a parking lot at the field but be very careful taking that left into the lot. If you happen to miss the lot continue to the next light and take Huron Ave. and take a left.
