Directions:

- Take I-90 (Mass. Pike) to the Watertown Exit #17.
 - Follow Galen St. north towards Watertown Square.
 - Cross over the river and continue through the square onto Mt. Auburn St.
 - Continue approximately 2-1/2 miles on Mt. Auburn, then bear right onto Gerry's Landing Rd.
-

-
- Follow Gerry's Landing as it curves around to the right; the Upper School campus is on the right-hand side of the street.
 - NOTE: Parking at the athletics center is extremely limited. If you continue along Gerry's Landing to the other end of campus, you will find a somewhat larger parking lot. If that lot is filled, we do **not** recommend on-street parking in the vicinity of the Upper School campus. The option we recommend is to park in the large public lot across the river on Soldiers Field Road (*third lot on your right, roughly across the street from WBZ*). On gamedays, a BB&N shuttle will operate on a continuous loop between that lot and the Upper School campus.
