*Anti-Hazing Policy*

*Additional Information Sources,*

*ISL Guidelines,*

*Program Contact Information*

*Athletic Field Locations*

*Data/Directions to Opponent Facilities*

*Travel Timetable,*

### **The BB&N Athletic Philosophy**

The BB&N athletic philosophy is to create a well-balanced curriculum of team sports, physical education, and health. All three components are essential complements to each student's overall physical, mental, and social development. A clear and realistic program, one that supports and promotes all levels of athletic achievement, must also echo the School's diverse curriculum.

The values of team sports, physical education, and health include:

- Experience of teamwork, competition, sportsmanship, success, and failure;
- Development of relationships, self-confidence, and physical and life skills;
- Knowledge of nutrition, fitness, and mental relaxation;
- Maturation of leadership skills, discipline, and a strong sense of self.

### ***Campus Programs, Offerings and Requirements***

#### **Lower School**

Every student in Beginners through Grade 5 participates in a Physical Education class instructed by our faculty. In the Fourth and Fifth Grades the program introduces students to a variety of skills in anticipation of team sports. The fundamental aspects of teamwork, sportsmanship, and competition are taught in a familiar and safe

environment. Plans are currently being made to include a basic Health component for the upper grades. Every one of our Sixth Grade students participate within the Grades 6<sup>th</sup>-8<sup>th</sup> Middle School Sports Program (please read below).

### **Middle School (Grades 6<sup>th</sup>-8<sup>th</sup>)**

The Grades 6<sup>th</sup>-8<sup>th</sup> program makes a minor shift to a more competitive team program. Without abandoning the principles of participation and enjoyment begun in our Lower School, we start to allow for individual differences among student athletes. All students are expected to participate in the Middle School athletic program for all three seasons. Typical practice days are Monday, Tuesday and Thursday, 2:30-3:40pm with end of day pick-up at the Upper School Athletic Center, 3:50-4:10pm. Game days are typically Fridays and some Wednesdays with times and locations available seasonally at [www.bbns.org](http://www.bbns.org) the Athletics section. We feel that being involved on a team, at some level, is a valuable experience for all students. All participants are expected to receive fairly equal playing time over the course of the entire season.

Associate Athletic Director, Dave Bunton, oversees the Middle School athletic program. He can be reached at [dbunton@bbns.org](mailto:dbunton@bbns.org).

### ***Grades 6th-8th Athletics Programs, Offerings, and Requirements***

- Students must participate in the Athletic Program for three seasons.
- Student participation in a team sport must yield enough players in order to compete at an interscholastic level.
- The number in parentheses next to the sports below represents the maximum number of players per team. A tryout selection process according to ability will be used when necessary. If cut from a team, an alternate plan will be arranged by the Coaches and Associate Athletic Director, Dave Bunton. ***No student will be cut from their first choice more than one time throughout the academic year. Additionally, 6<sup>th</sup> graders are not eligible for A teams.***
- ***Alternative programs may be accepted on rare occasions.*** Please refer to the alternative policies in this handbook

### **Fall**

Golf (16)

Health & Fitness/ Intramural Sports/ Yoga (24)

**Alternative Athletic Programs:** Students with demonstrated ability and a major commitment to training *for a sport/ activity that BB&N does not offer* (i.e. riding, skiing, swimming, figure skating) may apply for an off-campus Athletic Program Waiver. If a student is granted a waiver he/ she will be ***dismissed at the end of the Middle School day and must be picked up from the Middle School campus at the end of the academic day. Those students who cannot be dismissed at the end of the MS academic day will not qualify for a waiver.*** Students with a Medical Waiver or athletic injury will be dismissed at the end of the MS academic day unless a rehabilitation program with the BB&N Athletic Trainers is requested and approved. ***The Independent School League bylaws state, “Multi-season, single sport: Athletes may not receive credit for participating in a sport (offered) for more than one season in an academic year.”*** All such proposals, and any additional season requests must be submitted to the Associate Athletic Director by dates published by the athletic department before seasonal tryouts in order to seek approval. Seasonal tryout dates will be communicated to students/parents via [www.bbns.org](http://www.bbns.org) and the seasonal Athletic Department Information Letter. Waiver Forms are available in the Athletic Department Office and online.

**Eighth Grader Varsity Tryout/ Participation Policy:** *The following procedure must be followed in order for an eighth grader to become eligible for participation on a Varsity Team with Upper School students. The sequence of events is critical to preserving the integrity of the parents’ and advisor’s decision making process.*

Only Middle School athletes with exceptional athletic talent will be considered candidates for varsity teams; fundamentally a Middle School student should play with his or her peers, giving directly to the Middle School community. However, in certain rare cases, when a student’s athletic talent far exceeds that of his or her peers, and playing at the Middle School level might hinder his or her athletic development, the student will be considered a candidate for a varsity team.

The following procedure must be followed in order for an eighth grader to become eligible for participation on a Varsity Team with Upper School students. The sequence of events is critical to preserving the integrity of the parents’ and advisor’s decision making process.

If an exceptional athlete in good academic standing is identified as a potential Varsity candidate, the following steps must be completed in order for the student to become eligible. The student must be the last to be informed in this process, never before the advisor and parents.

1. The coach informs the Director of Athletics of interest in a student-athlete.

(The student needs to show exceptional talent, i.e., plays significantly above his or her age level, and will be a significant contributor or starter/high impact player at the varsity level.)

2. The Director of Athletics informs the Middle School Athletic Director and Middle School

Director, who notifies Grade Dean and Advisor

**The following areas are considered:**

Academic: Student's profile is reviewed to determine whether the student is in good academic standing

Social: The student's social/emotional maturity is considered. The discipline record will be reviewed. Given the pace, demand and exposure to older students, the student's ability to comfortably interact with older students will be considered. Time management skills, organization and motivation are all important.

3. The latter two confer, and the Advisor:

a) consults the teachers to assess the student's academic standing

b) consults the parents if the general feeling is to move forward

c) or conveys reasons to Middle School Director why the process should not move to the tryout stage.

The Middle School Director informs the MS Athletic Director of the decision.

If Student makes the team, the MS AD will communicate with all parties involved. The MS AD covers details, expectations and transportation issues with the family. The MS AD with Grade Dean will cover this with the student.

If an Eighth Grader makes the varsity team, he/she will be waived from his/her Middle School athletic commitment.

Failure to follow this process – particularly if the student-athlete is prematurely contacted – may result in the student's being automatically withdrawn from Varsity eligibility for the season.

If the above steps are completed, and the student-athlete has a successful tryout, the eighth grader may be a provisional member of a Varsity team as long as:

1. The student does not miss any part of the Middle School program (arts, academics and CT, Community Time on blue week Wednesdays) more than once (coach/advisor decision, at least 24 hours in advance) per season

2. The student's academic progress is monitored on a regular basis and he/she is deemed to be in good standing (determined by the Grade Dean and Campus Director)

3. The student meets responsibilities (on time, homework, lunch duties, meetings, etc.) and does not incur warning slips or is deemed guilty of behavior inappropriate for someone who has been granted the privilege of playing on a Varsity team

If the above conditions are not met, the Advisor will meet with the Grade Dean, Director and MS Athletic Director to assess the student's eligibility for the remainder of the season.

In general, it is recommended that involvement be limited to one season. In extremely rare circumstances, a student could be considered for a second season.

**MS No Sports/Mud Weeks:** This term refers to the dates in between athletic seasons. During these weeks, Seventh and Eighth Graders are often dismissed at 2 p.m. After-School study hall is available until regular dismissal time.

*For more information, please refer to the Middle School section of this handbook.*

## Upper School

While sub-varsity teams are more developmental in nature, our Varsity programs are quite competitive. Along with enjoying the sport, playing on a team is a valuable participatory experience for each athlete. That may mean being an All-League caliber player or a substitute who plays a supporting role. In keeping with the BB&N philosophy that athletics are an integral part of a student’s curriculum, each student should plan his/her participation with the help of his/her advisor. This discussion will help everyone gain a better understanding of each child’s overall School program. The Varsity and sub-Varsity teams are made up of those students who have demonstrated, through the try-out process, that they can successfully and comfortably compete at that level.

**Interscholastic League Affiliation:** *The Independent School League (ISL) and New England Prep School Athletic Conference (NEPSAC):* Students at BB&N are privileged to be a part of the Independent School League. This collection of 16 schools shares the highest ideals of school sports and competes against each other in almost every sport BB&N offers. In addition to the ISL opponents, we schedule contests against other members of the New England Prep School Athletic Conference (NEPSAC) when the level of competition is appropriate for both schools. At the end of the season many teams that have qualified are given the opportunity to compete in the NEPSAC tournaments.

**Requirements:** Students in Grades 9-11 must participate in the Athletics Program for three seasons each year. During Grade 9, students must participate in interscholastic sports for at least two seasons. By the end of Grade 10, students must participate in at least three interscholastic sports in total. Students new to the school in Grade 10 must participate in at least two interscholastic sports within the academic year. Students in Grade 12 must participate in the Athletics Program for at least two seasons.

FALL SEASON			
Interscholastic: Boys	Interscholastic: Girls	Non-Interscholastic: Coed	
Cross Country V, JV Football V, JV Soccer V, JV, 3 Team Manager	Cross Country V, JV Field Hockey V, JV, 3 Soccer V, JV, 3 Volleyball V, JV Team Manager	Game Manager Health and Fitness Instructional Tennis Sculling Strength and Conditioning	
WINTER SEASON

For interscholastic teams, a tryout process will be used if necessary. Each team must have at least the required number of players in order to compete at an interscholastic level. If there are an insufficient number of players, the team will not be offered.

## **PROGRAM DESCRIPTIONS**

### **Game Manager** (Grades 10-12)

Game Managers assist the Athletic Department in a variety of ways such as by running a game clock, setting up equipment prior to a game, keeping a score book, and helping with field clean up following a game. Students who wish to be Game Managers are assigned by the Athletic Department to attend a variety of games based on the needs of the department. The time commitment is typically between four and six hours per week. Students may enroll in either the Team Manager or Game Manager program for only one season per academic year.

### **Health and Fitness** (Grades 9-12)

Offered all three seasons, the Health and Fitness course emphasizes the concept of a sound mind in a healthy body. Through this individualized program, students participate in physical training based on their needs and interest and develop their mental and physical potential through relaxation and exercise. Students learn to create a balance between the four pillars of health: getting enough sleep, eating nutritious, healthy, and delicious food, exercising to power-up the body and mind, and dealing positively with stress.

Students in Grades 10-12 attend four classes per week during the regular academic day. Students in Grade 9 attend four after-school classes per week (Monday-Thursday), each lasting for one hour. These include one yoga class, one class devoted to nutrition and principles of training, and two classes of physical conditioning.

**Instructional Tennis (Grades 9-12)** Offered in the fall, this course is for students who are novices at tennis and would like to improve basic tennis skills under the guidance of experienced coaches. Students attend four after-school classes, each lasting 75 minutes. Advanced tennis players or players on the previous year's tennis team may not enroll in this course.

**Rock Climbing (Grades 9-12)**

Offered in the winter, this course provides students with instruction on climbing and belaying. Students attend three after-school classes per week, each lasting two hours. The School provides all equipment as well as transportation to and from the facility (Central Rock Gym in Watertown). Enrollment in this course is limited; preference is given to students in Grade 12.

**Sculling (Grades 9-12)**

Offered in the fall, this course is intended for students who are novices in the sport of sculling and wish to improve their skills under the guidance of experienced rowing coaches. Students attend four after-school classes each week (Monday-Thursday), each lasting 90 minutes. Practices occur in the Fitness Center and on the Charles River, rowing out of the BB&N Boathouse. No previous rowing experience is necessary.

**Strength and Conditioning (Grades 10-12)**

Offered all three seasons, the Strength and Conditioning course is designed for students who are preparing for and aspiring to play on a varsity team. Topics that are taught include strength training, conditioning, speed development, and agility training. Students attend three after-school classes per week (Monday, Wednesday, and Friday). Enrollment is limited to students in Grades 10-12.

**Team Manager (Grades 10-12)**

Team Managers are assigned by the Athletic Department to assist a specific athletic team. Responsibilities may include attending all home games and some practices, and traveling with the team to away games. Additional responsibilities may include transporting the medical kit, providing water bottles, keeping a score book, and other tasks as assigned by coaches. The time commitment is typically between six and ten hours per week. Students may enroll in either the Team Manager or Game Manager program for only one season per academic year.

**Alternative Athletic Programs:** Students with demonstrated ability and a major commitment to training *for a sport/ activity that BB&N does not offer* (i.e. riding, skiing, swimming, figure skating) may apply for an off-campus Athletic Program Waiver. Students with a Medical Waiver or athletic injury will be dismissed at the end of the academic day unless a rehabilitation program with the BB&N Athletic Trainers is requested and approved. *The Independent School League bylaws state, "Multi-season, single sport: Athletes may not receive credit for participating in a sport (offered) for more than one season in an academic year."* All such proposals, and any additional season requests must be submitted to the Associate Athletic Director, Chuck Richard, by dates published by the athletic department before seasonal tryouts in order to seek approval from the waiver committee. Seasonal tryout dates will be communicated to students/parents via [www.bbns.org](http://www.bbns.org) and the seasonal Athletic Department Information Letter. Waiver Forms are available in the Athletic Department Office and online.

**Alternative Artistic Programs:** Students with a major commitment and demonstrated ability in the arts, including in-School tech, drama or dance (Grades 10-12), may request an exemption from the Athletic Requirement for the season of involvement. All students who receive Artistic Waivers must participate within the Athletic Program for at least one season per academic year, unless special request granted. Proposals (fall, winter, or spring) must be submitted to the Head of the Arts Department no later than the first day of seasonal tryouts in order to seek approval. Seasonal tryout dates will be communicated to students/parents via [www.bbns.org](http://www.bbns.org) and the seasonal Athletic Department Information Letter. Waiver Forms are available in the Arts Department Office.

**Community Service Exemption:** Students (Grades 10, 11 and 12) who elect to make a significant contribution to Community Service Project (approved by the Community Service Faculty Advisors, may request an exemption from the Athletic Requirement for one season per academic year All students who receive Community Service Exemptions must participate within the Athletic Program for at least one season per academic year, unless special request is granted. Proposals (fall, winter, or spring) must be submitted to the Community Service Faculty Advisors no later than the first day of seasonal tryouts in order to seek approval. Seasonal tryout dates will be communicated to students/parents via [www.bbns.org](http://www.bbns.org) and the seasonal Athletic Department Information Letter. Waiver/ Exemption forms are available in the Community Service Faculty Advisors' Office.

### ***All-School Coaching Guide***

BB&N draws its coaches from the faculty as well as from off-campus. We expect our coaches to present themselves in a manner that will earn the respect of players and spectators. We want our coaches to model the same standards of behavior and sportsmanship that we expect from our students. The expectation of each coach is that they are sensitive to the needs of individual students while keeping the goals and interests of the team and School in mind.

The coach is the key contact person for your child's athletic program. Questions and messages regarding games, equipment, absences, or lateness should all be directed to the coach. Direct communication between athletes and their coaches fosters a greater sense of student responsibility and independence than having parents act as go-betweens. A list of Head Coaches and their voicemail numbers is provided at the end of this section. That list also will be provided to families through an information letter sent prior to each athletic season.

### ***All-School Student Responsibilities***

The athletic program strives to teach personal responsibility. **Participation on an athletic team is a commitment, a responsibility, and often a requirement. Attendance at practices and games is required.** It is important that each student understands that the team is affected when an athlete misses a practice. We expect students to plan their time around practices and plan ahead for conflicts which may have an impact on the team. Information about future events and commitments is readily available at

School and students should seek it out. Each student is asked to take responsibility for certain equipment/uniforms which belong to the School.

### **Practice Information**

At the beginning of each season, the School is given a designated date before which official practice/tryouts *cannot* begin. Each Varsity Head Coach determines the exact starting date for his or her team. These dates are established in consideration of our league guidelines and with reasonable breaks between seasons.

The parent information letter, posted on the BB&N Athletics Web Page, will clearly outline all pre-season requirements. Varsity teams are often expected to practice during vacations. During winter and spring breaks, one week is reserved for practice while the other is designated as a non-practice period.

***Upper School Pre-season Optional Workouts*** are initiated by the players in order to prepare players for the tryout stage of the season. Open field and gym space will be available for all players to use. Head Varsity Coaches should in no way emphasize/ organize any workouts. **These sessions are not required.**

***All-School Weekly Practice Schedules*** are posted and made available the Thursday prior to the week of practice. We attempt to maintain some consistency to the routine, but scheduling three levels of competition to play home or away on different days, as well as fall and spring rescheduling, always make things complex as well as lively. A copy of the practice schedule is available on the team pages.

### ***Location of Practices and Games***

A list of the facilities where our students practice and play home games and directions to the schools we compete against are available online at [www.bbns.org](http://www.bbns.org) or the host school's web site.

### ***Transportation***

Our teams are transported by private bus companies or School vehicles. We arrange for these vehicles each season, and each company tries its best to accommodate our varied needs.

Students are allowed to drive to practice or games only when special permission is granted by the Athletic Director. Other students are not allowed to ride with those students who have received permission. After a practice or game off site, a student may go home with her/his parent or another parent after checking with the coach. These arrangements need to be made ahead of time.

### **Lockers, Equipment, Uniforms**

- Every student will be assigned a gym locker. It is strongly recommended that students store all of their belongings in their locker. The School is not responsible for lost or stolen items.
- Some equipment is issued to athletes for their use during the season, with the expectation that such equipment will be returned at the end of the season.

- Uniforms are issued at the beginning of each season and are expected to be returned at the completion of each season.
- Athletes who do not return issued uniforms or equipment within two weeks after the end of the season will be billed for the replacement cost of each item. Please keep in mind that reordering custom or individual items can be very costly to replace and those charges will be reflected in the billing.
- Items that are returned after billing may be eligible for a refund or credit, subject to a non-refundable processing and ordering fee of \$25.

**Athletic Health and Safety Policies**  
**2015-2016**

***Kathy Gruning Head Athletic Trainer***      **617-800-2239**      [\*\*\*kgruning@bbns.org\*\*\*](mailto:kgruning@bbns.org)

**Health Requirements:**

The following items are required in order to participate in athletics:

1. Completion of All necessary online student health forms and an annual physical exam.
2. Completion of baseline ImPact concussion test.
3. Completion of online Pre-Participation Exam Form (PPE).

**Communication:**

In order to ensure a safe environment for your child medical information relevant to the student's health and safety is communicated to school staff as a "need to know" basis, as determined by the Athletic Trainers and School Nurses.

Certified athletic trainers are present at all on-campus contests and practices, with effective access to peripheral fields. Parents are required to report all injuries, illnesses, and/or other health conditions to the Athletic Training Staff / or Campus Nurses as soon as possible. Athletic Trainers will work in conjunction with campus nurses and outside health care professionals to ensure optimal care for your child in timely manner.

When enlisting private health services, please ask your health care provider to provide in writing: a diagnosis, treatment plan, and clear parameters for return to activity. Student athletes cannot return to team practice or play without this information or/ and proper clearance from Athletic Training Staff. BB&N Athletic Trainers will notify parents of any significant athletic injury or if a student athlete may need further evaluation or monitoring.

***All parents and spectators must remain off all playing surfaces during practices and games.*** In the event of a significant injury, parents will be notified on the sidelines whenever possible.

If you have questions, concerns or information regarding your child's health or injury status, please do not hesitate to contact the Athletic Training Staff.

Please use the following link to access the School's Life Threatening Allergy Policy on page 9 of the All School Handbook Policy:

[http://www.bbns.org/uploaded/PDFs/All\\_School/Online\\_Handbook/as\\_handbook\\_15-16.pdf](http://www.bbns.org/uploaded/PDFs/All_School/Online_Handbook/as_handbook_15-16.pdf)

Mouth Guard Policy: Please refer to the Student Health and Wellness Policies in the *All School Policies and Information PDF* at [www.bbns.org/handbook](http://www.bbns.org/handbook).

### **Medical Waivers:**

If your child is unable to participate in athletics due to extended illness or injury, please submit to the Athletic Training Staff medical documentation from the treating physician including; diagnosis, period of time, and plan of care. Medical Waiver information will be communicated to school staff on a "need to know" basis.

### ***ISL Statement Regarding Drugs, Medication or Food Supplements***

The schools in the ISL agree that school personnel and coaches should not dispense any drug, medication, or food supplement except with extreme caution and in accordance with policies developed in consultation with parents, health-care professionals, and senior administrative personnel of the school.

Use of any drug, medication, or food supplement in a way not prescribed by the manufacturer should not be authorized or encouraged by school personnel and coaches. Even natural substances in unnatural amounts may have negative short-term or long-term health effects.

In order to minimize health and safety risks to student/athletes, maintain ethical standards, and reduce liability risks, school personnel and coaches should never supply, recommend, or permit the use of any drug, medication, or food supplement solely for performance-enhancing purposes.

### ***Anti-Hazing Policy***

Hazing refers to any conduct or method of initiation into any student organization, which willfully or recklessly endangers the physical or mental health of any student or any other person. Copies of legislation regarding hazing are distributed annually to all Upper School students. Incidents of hazing must be reported to law enforcement officials.

### ***Additional Information Sources***

Seasonal information letters are mailed out each season to families in Grades 6-12.

*Web Site:* BB&N's web site ([www.bbns.org](http://www.bbns.org)) has a specific section dedicated to the Athletic Program. The web site includes permanent information as well as data which is continually updated, such as:

- Team schedules
- Team results
- Weekly practice schedules
- Directions to away games
- Links to opponent web pages

### ***Parking:***

- Students are not allowed to park in the Athletic Center parking lot at any time. Students who choose to do so **will be towed**.
- Parents should park only in clearly marked Athletic Center and Upper School lot spaces.
- No parking on the hill or in front of the Forbes House without a designated sticker.
- No parking in the handicapped spaces without a handicapped parking placard.
- No standing or stopping in the Athletic Center Parking Lot, or along the driveway.

- No parking on Greenough Boulevard; Buses only.

### ***ISL Guidelines***

*Sportsmanship Creed:* The ISL is proud of the behavior and sportsmanship displayed by its players, coaches, and fans. We value spirited and fair play as well as positive support for our players and teams. In order to ensure that our expected level of decorum continues each game and each season, we ask that all members of the ISL community continually renew their efforts to abide by the ideals of our league.

*Athletic competition in the ISL is guided by the following ideals:* Players and coaches shall at all times represent themselves and their school with honor, proper conduct, and good sportsmanship. They shall understand that competitive rivalries are encouraged but that disrespect for opponents is unsportsmanlike and lessens the value of the rivalries. They shall confine the competitiveness of the game to the field, and behave properly on the sidelines and in the locker rooms before, during, and after the games.

*The Players and Coaches:* Players and coaches shall comply fully with the rulings of the officials. In no way, either by voice, action, or gesture, shall they demonstrate their dissatisfaction with the decisions made. Players must never forget that they represent their school.

*The Spectators:* ISL schools will not tolerate at their athletic contests any spectator, either student or adult, whose behavior is disrespectful toward players, officials, coaches, or other spectators. Nor will ISL schools permit any type of spectator behavior that either detracts from the proper conduct of the game, or serves to place a player or a team at a disadvantage. Some examples of unacceptable behavior are as follows:

- Use of profanity or displays of anger that draw attention away from the game;
- Booing or heckling an official's decisions, criticizing officials in any way, or displaying temper with an official's call;
- Trash talk or yells that antagonize opponents;
- Verbal abuse or intimidation tactics;
- Disrespectful or derogatory yells, chants, songs, gestures, signs, posters, or banners;
- Any distracting activity such as yelling, waving arms, feet stomping during an opponent's free-throwing attempts;
- Use of artificial noisemakers of any kind (legitimate pep bands, however, are encouraged).

These guidelines apply equally to players, coaches, and spectators. The ISL asks officials to apply these guidelines strictly, especially with regard to players and coaches.

### ***Program Contact Information***
