

CURRENT AND FORMER FACULTY AND STAFF

BB&N faculty and staff members define and enrich the BB&N student experience on all campuses. We are truly grateful for the generous financial support from current faculty and staff for The BB&N Fund and other school priorities. The school is also grateful to former faculty and staff who continue to provide financial support for the school's mission and programs.

Faculty and staff with a 🏆 following their name are members of BB&N's Knights' Circle which recognizes those who have made gifts to BB&N for five or more consecutive years. We are truly grateful for their consistent and loyal support which helps BB&N sustain the academic excellence for which the school is known.
